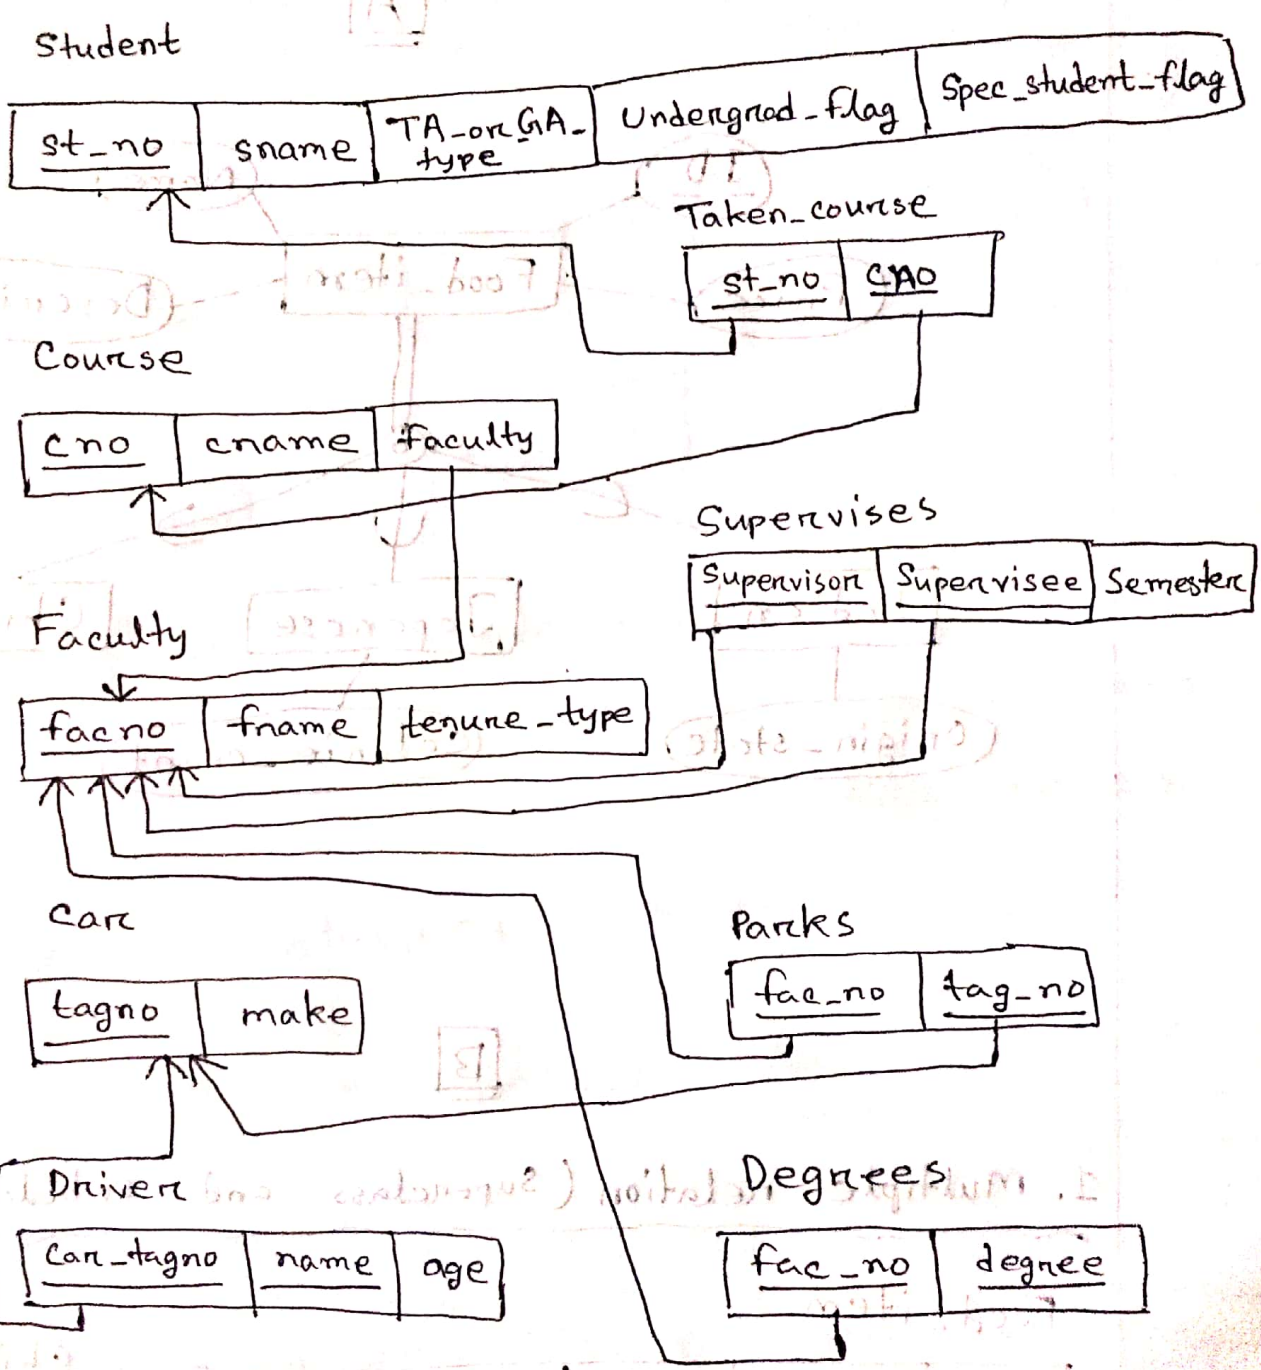
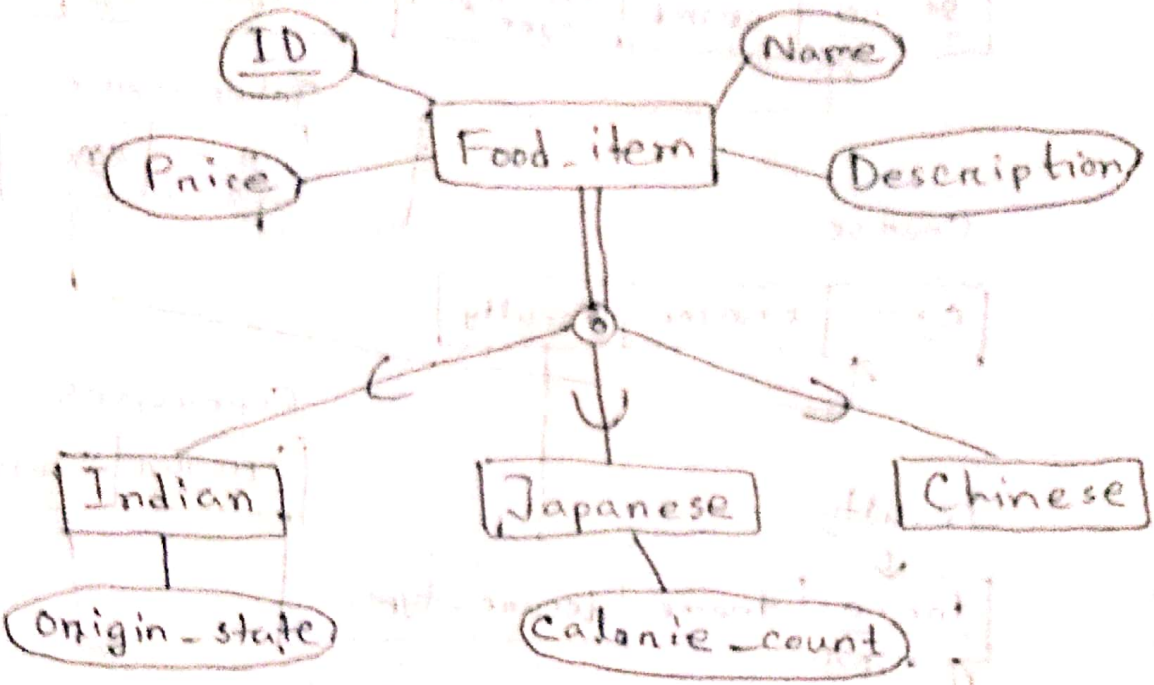
CamScanner

Ans to the ques no:- 01



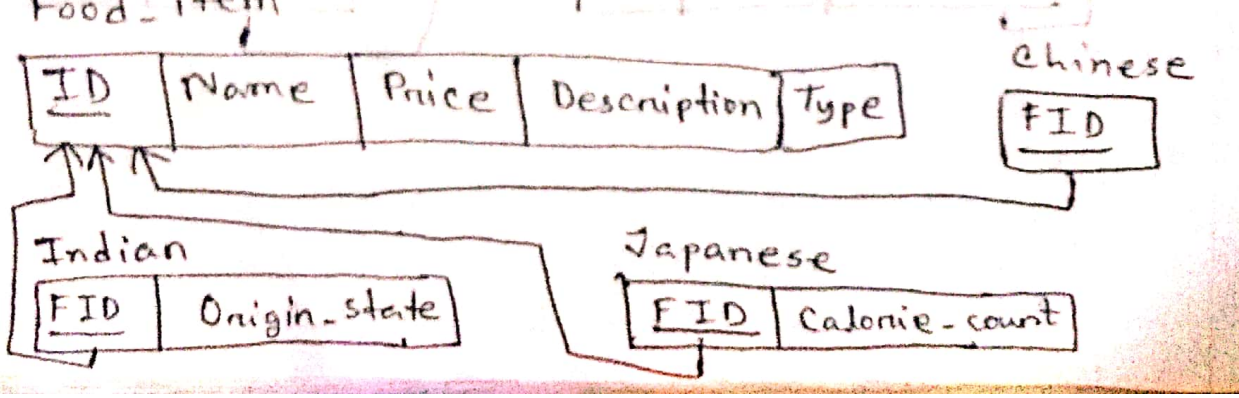
Ans to the ques no:02

A



B

1. Multiple relation (Superclass and subclass) :-



2. Multiple relations (Subclass only) :-

Indian

ID	Name	Price	Description	Origin_type

Japanese

ID	Name	Price	Description	Calorie_count

Chinese

ID	Name	Price	Description

3. Single relation single type :-

This option is not applicable. Because, one single type attribute can not keep track of the overlapping subclasses.

4. Single relation multiple types :-

Food_item

ID	Name	Price	Description	Indian_flag	Origin_date	Japanese_flag	Calorie_Count	Chinese_flag
